

Mentoring— PART OF YOUR HEALTHY PROFESSIONAL LIFE!

The Alberta Teachers' Association can assist you in mentoring beginning teachers.

Our professional development staff officers are ready to assist in

- establishing a mentoring steering committee,
- developing a frame of reference, mentoring guidelines and programming,
- building a PD mentoring plan,
- delivering workshops and information.

Access our resources

- financial support for the establishment of a mentoring steering committee
- bilingual workshop resources
- ATA professional library
- bilingual executive staff officers and PD facilitators

Start building

your customized mentoring program at any time over the year. Start-up funding is available!
