

# Where ATA members can run and vote

Active members belong to one of 55 locals of the Alberta Teachers’ Association. Locals are organized by the Association into 11 geographic districts.

If you are an active member, where you can run or vote depends on which school board employs you. If you are an associate member not employed by a school board or ATA local, where you can run or vote depends on the school board operating in the town or city where you live.
